### About Women In Energy

The goal of Women in Energy is to energize and connect women in the energy industry. The Association's purpose is to encourage women to enter the oil and energy industry, promote professional development through educational classes, and provide networking and mentoring opportunities for women in the industry. Membership is open to any individual (female or male) or company involved in the oil and energy industry. For more information visit our Facebook page: <http://www.facebook.com/WomeninEnergyWE> or contact: [womeninenergyWE@gmail.com](mailto:womeninenergyWE@gmail.com).
